# Health and Safety Policy

## 1.0 Policy

- 1.1 City, University of London Students' Union (the Union) is a separate legal entity from City, University of London (City). The Management of Health and Safety Regulations (1992) require employers sharing premises to co-operate with each other with regard to arrangements for health and safety. The Union complies with the safety policies and arrangements which City, the joint-employer and controller of the premises, has in place. Therefore, the Union does not hold a separate H&S policy.
- 1.2 Accordingly, this safety code/statement should be read in conjunction with the City Health and Safety Policy.
